News Release

Segundo L.L.C. wins the prestigious Deloitte & Touche Technology Fast 50!

September 26, 2003, Mclean, Virginia – Segundo LLC, a provider of innovative integration tools and services has been named the 9th fastest growing company in Virginia in the prestigious Deloitte & Touche Technology Fast 50: Rankings are based on the percentage of growth in fiscal year revenue over five years, from 1998-2002. Segundo was awarded the distinction of placing within the top 10 by sustaining an exceptional 339% annual growth rate throughout the last 5 years.

To qualify for the Technology Fast 50, companies must have had operating revenue of at least \$50,000 in 1998 and \$1 million in 2002, must be public or private technology company headquartered in North America, and provide an innovative proprietary technology that contributes to a significant portion of the company's operating revenues; and/ or devoting a significant proportion of revenue to research and development of technology.

About Segundo – Founded in 1998, Segundo is a privately held company providing integration solutions and services to both the federal and commercial sectors.

Since its founding Segundo has morphed itself from a well established integrator of Oracle services, into a highly successful integrator of leading technologies. Supplying One Point™ integration of back office and legacy system applications and providing value added Advanced Voice Recognition (AVR) system development and integration. Through the use of leading technologies, Segundo is providing the solutions needed to help organizations work efficiently.
