

BRINGING RESULTS TO RESULTS

Segundo is a Small Woman-owned business offering a broad range of long term Information Technology (IT) services from program management, system engineering, hardware and software design, development and production, testing and evaluation, and documentation and support to the Federal Aviation Administration (FAA) and other government departments and agencies.

As a **RESULTS** National Contracting vendor, Segundo can help bring results to **RESULTS** by offering you the one-stop service designed to provide the total array of IT support services. **RESULTS** allows Segundo to support IT- Related task orders in an expedited manner for the FAA, and other government departments and agencies.

When you need results, give us a call and we will show you how you can... get **RESULTS!**

♦ **Fast Obligations**

For most contracts funds can be obligated within 24 hours of an approved service order. With quick funds obligation you can ensure project stability.

♦ **One Stop Life Cycle Shopping**

RESULTS can handle all your contracting needs. Use RESULTS as a one-stop service for your technical and engineering services needs.

♦ **Speedy Procurements**

RESULTS has a track record of being far faster than conventional contracting routes. Fast awards mean work can be started as quickly as needed.

♦ **Extended Contract Terms**

With no ceiling and 5 year tasking you get no false starts, no delays and no untimely stops.

♦ **Program Management Services**

Not really sure how to get a task order off the ground? Segundo will work with you to show you how to achieve your goals.

♦ **Performance-Based Vehicle**

With RESULTS ready made performance-based basic ordering agreement you will cut the contract development time with a ready made acquisition schedule.

♦ **Pre-Qualified Vendor**

Because Segundo is a pre-qualified vendor, you can be assured you will always get the best resources, and your task orders will be delivered on time and within budget.

♦ **Multiple Contract Types**

You can use any type of contract you need. Whichever contract type you choose, RESULTS can support your needs.

♦ **Full Financial & Project Visibility**

Monitor task order status, deliverables and financial data using an easy to use web interface.
